Mission Statement

San Miguel Academy of Newburgh is an independent, faith-based, 5th through 8th grade middle school for boys from underserved families residing in the City of Newburgh, New York. San Miguel Academy is part of a national educational reform movement which strives to break the cycle of poverty through education.

San Miguel Academy provides boys with the tools necessary for success in their academic, social and moral lives. We empower our students by focusing on educational achievement and character development as a means of self-efficacy.
